Vidya Makan

As we reported two weeks ago Vidya has been attending the Manchester United Soccer School in the UK after attending one of their Soccer Camps last year that were held in Australia. Here she is with some of the Manchester Coaches enjoying the fantastic opportunity!

From April 2007 to November 2008 Manchester United Soccer Schools courses attracted young players of all ages and abilities from different regions across the country. Working in partnership with former Manchester United player Jesper Olsen, the courses in Australia truly reflected Manchester United Soccer Schools' commitment to taking the Club on the road. With coaches flying from the UK to Australia especially to conduct skills development sessions for local boys and girls of all ages and abilities, the Manchester United Soccer Schools coaching team also took time to conduct community coaching sessions, giving players a taste of what it is like to train like a Manchester United player.

Call to Arms

Help support Men's Cancer awareness – August 8th & 15th – More Information next week

Soccer Mums

Calling all Soccer Mums and we do have over 200 at Annerley JFC!

The Coffee Club and Qld Roar are searching for Australia's Favourite Soccer Mum – a mum (or dad) who supports, sacrifices and gets involved with their child's passion for the game.

Do you tirelessly scrub the grass stains out of socks so that your little hero looks ship-shape when they run onto the field?

Do you painstakingly cut oranges for the team into perfect quarters?

Do you sacrifice the 2-hour old, \$150 style cut and blow-dry to battle the elements in order to cheer on your champion at soccer training?

Well then, you could have what it takes to be Australia's Favourite Soccer Mum! You need to entre by August 31 at

www.australiasfavouritesoccermum.com.au

Outstanding Fees

Just a reminder outstanding fees are over due Trophies and Team Photos will not be handed out if you are not paid up, please contact Peter Jones directly on 0413 433 317 to arrange a time that suits.

Safety of Players

Our club grounds are in a very public area so we ask parents to collect their children from the training area, as this is the best way of maintaining the safety of all children. Don't forget training is 5:30 to 7 pm for point's players.

Dug Outs

We would like to send our thanks to some special people for our fantastic new Dug outs

Thanks to John Cremonini who laid the 4 slabs for the Dug outs

Cam McFadyen who built the new dug outs and donated his time and materials to create these fantastic structures and then bolt them into place last Thursday night!

Also to Len Bignell who owns Tornado Tilt and Crane, 14 Bundarra St Wacol, he organized to take the Soccer Dug Outs down to the field, he's probably given the club about \$500 odd worth of crane truck hire.

Also very big thanks
