⚽ Football Brisbane

As you may or may not know Football Brisbane runs the competition we are involved in. You can find out a lot of information from their web site www.footballbrisbane.com.au Make sure to go have a look - it has a lot of useful information! Most importantly, a draft games list has been added to the site.

⚽ Safety of Players

Our club grounds are in a very public area so we ask parents to collect their children from within the training area. This is the best way to ensure the safety of all children.

⚽ Neighbours

Please remember that we are playing and training in a residential area. When leaving and arriving at the club please make an effort to keep noise to a minimum. Please also take any litter with you and don't park over anyone's drive way. You will be towed at your own expense if you do!

⚽ Club Hall for Hire

The Club Hall will be available for hire for family parties and functions – please come and talk to us if you are interested or have any questions, or visit our website for contact information.

⚽ Training Times

The training times for all junior teams are available on the club website. Some teams still need to have managers assigned, so if you have indicated that you would like to assist or are interested in one of these roles please contact us as soon as possible so that we can allocate you to the team of your preference.

⚽ Insurance

Please remember that only players who have signed on for the 2010 season will be covered by insurance!

You cannot play or train until your parent or guardian has signed the paperwork.

⚽ Wanted

If anyone is putting in a new Kitchen we are looking to add a small kitchen area upstairs and would be happy to re cycle any old kitchen cupboards etc that might be suitable to use!

⚽ Concerns and Queries

If you have any concerns or other queries that we not yet covered, please feel free to come talk to the Committee. We try to do our best to accommodate as best we can for everyone

Support all our proud sponsors
